DATED : 17TH FEBRUARY, 2006

P.C. :

The Applicant has taken out the above Company Application for confirming and approval of an offer received by it in respect of certain securities of the company hypothecated to the Applicant.

2. The Company Petition has been admitted. The above Company Application has been directed against the Official Liquidator. However, the Official Liquidator has not been appointed in respect of this Company either as a provisional liquidator or

otherwise. The mere fact that in some other matter the Applicant has faced difficulties after the Official Liquidator is appointed, is no ground to maintain the present Company Application. The Company has not been ordered to be wound up.

3. In the circumstances, the Company Application is premature and is not maintainable.

The Company Application is accordingly dismissed.
